V12 Sidecar: V7DHS - High Strength Steering link set

Description

New Mardave Heavy duty Ball & Cup set make this the best and smoothest and strongest Track Rod set for Oval racers

3mm threads & Nyloc nuts are used .

Chrome balls with top notch cups give a superb fit so no jamming of steering.

Requires opening out your steering blocks as threads are 2.5mm.

We also do a turnbuckle version V7DHW
